About the University

The Maharaja Sayajirao University of Baroda, was founded by Late His Highness **Shrimant Maharaja Sayajirao Gaekwad** of Baroda in the Year 1881. The efforts of establishing a University at Baroda were also initiated by him in 1908. The Maharaja Sayajirao University of Baroda came into existence on 29th April 1949.

Faculty of Science

The Silver Jubilee Science Institute, a part of the Baroda College, was reconstituted as the Faculty of Science. Foundation stone of the Silver Jubilee Science Institute was laid by Sir Issac Rufus, the then Viceroy and Governor General of India, in the year 1926 and the construction was completed in 1933.

Faculty of Science has 12 Departments educating more than 4500 UG and PG students every year. A large Number of research Students are engaged in Quality Research Work by various Departments. Faculty is proud to have highest number of Research Grants and high impacted Research Publications. National & International collaborations, provide thrust to excel in diverse research areas.

About the Department

Addressing the grave need of quality education in computer applications, Faculty of Science introduced a 3 year undergraduate program leading to **Bachelor of Computer Applications** degree in year 2000 on a higher payment basis. The program has earned a very good reputation in the state of Gujarat and is regarded as the most advanced BCA program in this part of the country. From year 2010 the BCA program has been restructured according to Choice Based Credit System (CBCS). In year 2017 Faculty of Science introduced M. Sc. In Information Technology, that is specially designed for the graduates in computer/IT discipline in CBCS pattern. This program has also been received very well by the student's community and local software industry.
